

# The Jenna Moriarty Foundation - Fundraising through Just Giving

Jenna's family, friends, and people who were touched by her story have been raising funds in her name long before we had The Jenna Moriarty Foundation up and running.

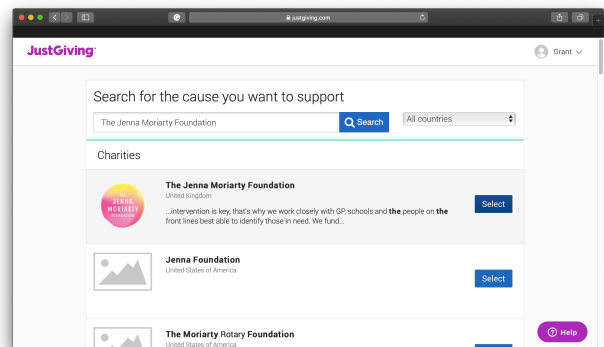

We want to make sure all the hard work that was done before the foundation was set up is aligned seamlessly with the work we're doing today. If you're using Just Giving we'd ask you set up your fundraising page via the following method so that we can keep up with all the work you've done over the years.

- 1). First of all, head over to Jenna's page on Justgiving: <https://www.justgiving.com/remember/113776/Jenna-Moriarty>

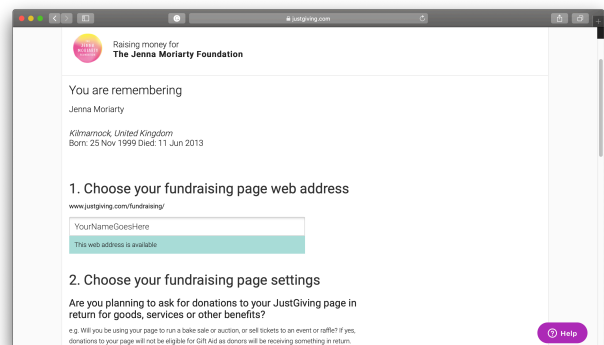

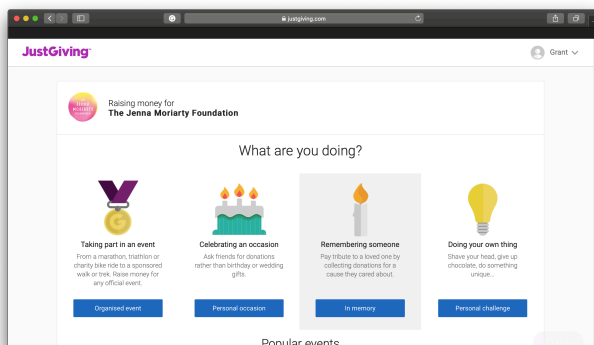

Once you're here, click on the purple 'Make a page for Jenna' button in the bottom left corner.

- 2). Which takes you nicely to searching for 'The Jenna Moriarty Foundation' as your organisation

- 3). From there it's all pretty standard, you're going with the 'Remembering Someone' option and filling in your own details, clicking through the rest of the form.

Easy, now all you've got to do is share your page, convince your colleagues and friends to donate...oh and start training for your event! Good luck and let us know if you need a hand.
